

TINGER T4

MULTI-PURPOSE
FLOATING TRAILER

MULTI-PURPOSE FLOATING TRAILER

Thousands of ATV, quad, snowmobile, and car owners praise Tinger T trailers for their versatility.

Multi-purpose Tinger trailers provide ample opportunities for their owners – whether hunting or fishing, working in the country or having a picnic with friends and

family. A sturdy steel frame and a body made with 10mm-thick high density polyethylene HDPE make this trailer a trusted companion in traversing off-road terrain in years to come. Even at full load it doesn't yield to water barriers. All this makes Tinger T a unique and reliable assistant in cross-country terrain.

YOUR FAMILY WILL APPRECIATE IT

Tinger T4 was designed for extreme conditions. Special low-pressure tires allow the trailer to traverse almost any terrain and water barriers.

Look after yourself and your close ones while on the go. If required, the trailer converts from a comfortable gazebo into a full sized tent for 3. Easily convertible seats,

hardtop and high-grade waterproof top will provide you with the perfect place for a calm and relaxed sleep wherever you are. Hitch the trailer to your car or ATV, load it with your gear, drive to the location, unload your gear and convert the trailer into a comfortable gazebo. The true essence of convenience.

Tiger T4's soft padded seats comfortably accommodate up to 8 people when camping.

DEFY WINTER

Tinger TS is a trusted companion and assistant during snowy winters. Use your Tinger TS trailer with any snowmobile from any manufacturer. Special ski modules allow to cross deep snow at high speeds while hard and waterproof body made with 10mm-thick light and durable HDPE material keeps the water out. High-grade removable top will protect you from the wind and snow. Tinger T's versatility will ease you of unnecessary troubles - you can easily transform your Tinger TS with ski module to a wheeled Tinger T4 and back!

ADDITIONAL OPTIONS

You can use this versatile Tinger T trailer with any quad, snow mobile, ATV, and other off-road vehicle. It was designed for use in extreme conditions and any weather

in winter, summer, and other seasons. You can choose your own accessories to match any task and activities you require.

TINGER T4 MORE THAN A TRAILER

Tinger T4 is equipped with 4 low-pressure tires that allow it to travel across any terrain and water barriers. Tinger T4's body is made with lightweight, durable and impact-resistant high density polyethylene HDPE. A 300 kg load capacity allows it to be used for any task, whether it is farming, hunting, fishing or recreation. A large and spacious trailer can accommodate up to 8 people for camping. If required, the trailer converts into a full sized tent. You can equip it with ski module in winter and wind-blocking and water resistant removable top to protect you from the elements.

T4 is a trusted and reliable companion whatever you do: hunting, fishing, housekeeping or recreation

TINGER T2

A RELIABLE ASSISTANT FOR EVERY SITUATION

A two-wheeled Tinger T2 comes at a lower price while matching the versatility and efficiency of its elder brother, T4. The trailer's design allows it to be used with any off-road vehicle: ATV, snow mobile, and quad. It can carry 300 kg in its 2 m3 of useful volume. And it is just as easy to attach a tent, a ski module, and a hardtop frame as with T4.

TINGER TS

DEFY WINTER IN COMFORT

Winter fishing and hunting has never been so comfortable. Tinger TS was designed for harsh snowy winter conditions and is compatible with any snowmobile from any manufacturer. Special ski module for the trailer will allow you to conquer any winter opens with your snowmobile. And weather-proof removable top will protect you and your cargo from wind and snow. To expand its areas of application, you can easily convert Tinger TS into Tinger T4. Swap your ski module for a 4-wheel set and use your trailer all the year around.
